

Opportunities for Every Player

The golf professional staff at Sycamore Creek Country Club offers a variety of game improvement programs to fit your golfing needs. Whether you are a beginner that is just taking up the game or you have been playing the game all of your life, our professional staff has years of teaching experience that will allow us to diagnose your game and help you improve. If you like the comfort of a group lesson or the personal attention of a private lesson, we offer a program that will fit your needs.

We believe that every good golf swing has it's own style and is unique; but, all good golf swings have a number of things in common. Let us help you find your golf swing so you can enjoy the game for years to come!

Meet the Golf Professional Staff

Bob Stephens, PGA —

Head Professional

Bob graduated from Saginaw Valley State University including earning All-American honors for Golf in 1984. Turned professional in 1985 and attained class A PGA membership in 1988. Bob has 30 years of golf instructional experience including close to 5,000 individual lessons and teaching dozens of instructional clinics and camps. Advanced knowledge and experience in video instruction and custom club fitting.

Kevin Wajert — PGA Apprentice

First Assistant Professional

Kevin graduated from Trine University with a Bachelors in Golf Management. Certified in advanced teaching, Kevin is currently furthering his knowledge as an apprentice in the PGA of America program. His expertise, commitment and love for teaching enables him to develop the skills of any student.

kwajert@sycamorecreekcc.org

Jim Metter — Assistant

Jim began playing the game of golf at the age of seven and has been in the golf business since the age of eighteen. He has taught all over the country from Florida to Michigan and has over 40 years of teaching experience. Jim's expertise in the game of golf will help any student get to the next level.
